

18hp volvo inboard engine pdf

I was wondering what size outboard motor to use on my 14' harborcraft aluminum boat? The boat is pretty light, probably 165lb-180lb range and I bought it off a guy who used to put on top of his canopy on his truck.

What horsepower motor to use on light weight 14' aluminum

The best boat forum for marine electrics and marine electronics for technical advice and answers. Share your experiences here.
