MAS131: Introduction to Probability and Statistics Semester 1: Introduction to Probability Lecturer: Dr D J Wilkinson Statistics is concerned with making inferences about the way the world is, based upon things we observe happening. Nature is complex, so the things we see hardly ever conform exactly to simple or elegant mathematical idealisations â€œ the world is full of unpredictability ...

### MAS131: Introduction to Probability and Statistics

tion to probability and mathematical statistics and it is intended for students already having some elementary mathematical background. It is intended for a one-year junior or senior level undergraduate or beginning graduate level course in probability theory and mathematical statistics. The book contains more material than normally would be taught in a one-year course. This should give the ...
