reforming the european convention pdf

Corporal punishment or physical punishment is a punishment intended to cause physical pain on a person. It is most often practised on minors, especially in home and school settings.

Corporal punishment - Wikipedia

Reformism is a political doctrine advocating the reform of an existing system or institution instead of its abolition and replacement. Within the socialist movement, reformism is the view that gradual changes through existing institutions can eventually lead to fundamental changes in a society's political and economic systems.
