The Department of Health & Social Care and the Department for Education held a public consultation on "Transforming children and young people's mental health provision: a green paper".

Transforming children and young people's mental health

6 The case for all these reforms is now well established. Mental health services must be available 24 hours a day 7 days per week based on sound evidence of best practice.

The Mental Health Policy Implementation Guide

A mental health history including asylum and community care periods, with links to Andrew Roberts' book on the Lunacy Commission and other mental health writings, and the asylums index and word history.

Mental Health History Timeline - Andrew Roberts

Welcome to NAMI SC, the state chapter for the National Alliance on Mental Illness. Our mission is to improve the quality of life for individuals who live with mental illnesses and for their families by promoting the availability of effective services and resources, through education, support and advocacy.

NAMI South Carolina

Stigma and discrimination. Stigma against people who have experienced a mental illness is deeply entrenched in our culture. This report presents the nature of the problems associated with stigma and through its recommendations suggests positive strategies to genuinely impact on stigma in our society.

Affordable Care Act Requires Insurance Companies to Justify High Rate Hikes Health insurance premiums have risen rapidly, straining pocketbooks for American families and businesses. Since 1999, the health insurance premiums for family coverage have risen 131 percent. Premium increases have forced families to spend more money for less coverage.

Shining a Light on Health Insurance Rate Increases

Overview. One of the largest civilian departments in the federal government, the Department of Health and Human Services (HHS) oversees the implementation of numerous health and welfare-related programs.
