In Secrets of Self-Made Millionaires, I describe wealth as an equation and I would say the equation is like this: 30% is making the money, 30% is saving the money and the other 30% is learning how to invest the money.

The MILLION DOLLAR - Adam Khoo

Seven Secrets of the Millionaires Chapter One . 7 People cling to their grim, impoverished existence out of fear, and then justify their cowardice by claiming that money isn't important, that their aims are more spiritual or that they would rather be poor than have all that 'hassle.' This is often a lie. If you have ever done the lottery or bought premium bonds then you are ...
