This simple trust-building exercise works best with groups of 6-10 people. If you have more than 10 people, you can either ask for 10 volunteers to participate while the rest observe silently or divide everyone into small groups of 6-10 and conduct the exercise with one group at a time.

ENGAGEMENT GAMES - What's Race Got to Do with It?

Biology and political orientation is a concept based on a number of studies that have found that biology can be linked with political orientation. This means that biology is a possible factor in political orientation, but may also mean that the ideology a person identifies with changes a person's ability to perform certain tasks.

Biology and political orientation - Wikipedia

Gun control (or firearms regulation) is the set of laws or policies that regulate the manufacture, sale, transfer, possession, modification, or use of firearms by civilians.
