

self leadership and the pdf

Since its original publication in 2000, Leadership and Self-Deception has become a word-of-mouth phenomenon. This book shows how the problems that typically prevent superior performance in organizations and cause conflicts in our personal lives are the result of a little-known problem called self-deception.

Self-handicapping is a cognitive strategy by which people avoid effort in the hopes of keeping potential failure from hurting self-esteem. It was first theorized by Edward E. Jones and Steven Berglas, according to whom self-handicaps are obstacles created, or claimed, by the individual in anticipation of failing performance.

Self-handicapping - Wikipedia

Motivational leadership refers to someone leading others by motivating them to strive for certain goals rather than simply act on orders. The leader tries to create a safe and trusting environment, and ensure the organization is positioned for success in its domainœfor example, a company in the marketplace.
