

sensory integration and the pdf

A Parent's Guide to Understanding Sensory Integration Sensory Integration theory, as discussed in this booklet, comes from a body of work developed by A. Jean Ayres, PhD, OTR. This theory has been further developed and refined by the research of Dr. Ayres, and other occupational and physical therapists. In addition, literature

Sensory integration (SI) is the neurological process that organises sensation from one's own body and the environment. It enables everyday life (Allen and Smith 2011). For most people, sensory integration develops in the course of ordinary childhood activities. Ayres' Sensory Integration Therapy Helping Children and Adults with SI Difficulties
