### **social media marketing 2 pdf**

Social media marketing is the use of social media platforms and websites to promote a product or service. Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers. Most social media platforms have built-in data analytics tools ...

### **Social media marketing - Wikipedia**

The development of social media started off with simple platforms such as sixdegrees.com. Unlike instant messaging clients, such as ICQ and AOL's AIM, or chat clients like IRC, iChat or Chat Television, sixdegrees.com was the first online business that was created for real people, using their real names.

### **Social media - Wikipedia**

Owing to the growing trend of social media marketing all organisations, companies, small businesses and sole proprietors need to have a solid understanding of how to market and grow their brands on social channels.
