2016 / The "China, Inc." Challenge to Global Trade Governance

The "China, Inc." Challenge to Global Trade Governance

The Challenge Machinery Company has been an innovator in cutting equipment for almost 150 years. Our achievements include the invention of the original paper cutter in 1887, the first paper drilling machine, the first hydraulic paper cutter, the first programmable paper cutter, and more recently the first fully automated programmable three ...

In recent months, I have become increasingly concerned about the next stage of development for China's middle class. We have witnessed the tremendous transformation as hundreds of millions have moved into the middle class over the last 25 years, and in many families, now we have a younger generation born into the middle class with high ...
