The term marriage squeeze refers to an imbalance between the number of men and women available to marry in a certain society. The term was originally coined to illustrate the different patterns of marriage of men and women in 1960s America, where a striking divergence of ethnic differences in marriage has persisted into the 21st century ...

The day is fast approaching when the freedom to marry will be the fundamental law of the land for our state's same-gender couples. Equality NC wants to help same-sex couples and their communities celebrate the joys and navigate the uncertainties of what marriage equality in North Carolina will look like on "Day One."
