The Day the Earth Stood Still - Wikipedia

Not so very long ago, the earth numbered two thousand million inhabitants: five hundred million men, and one thousand five hundred million natives. The former had the Word; the others had the use of it. Between the two there were hired kinglets, overlords, and a bourgeoisie, sham from beginning to end, which served as go-betweens. In the colonies the truth stood naked, but the citizens of the ...
