The Problem. Digital tools have put shoppers in the driver™s seat, allowing them to easily research and compare products, place orders, and get doorstep delivery of their items.

### **Competing on Customer Journeys - Harvard Business Review**

The dramatic events of the financial crisis in the late 2000s transformed the UK financial services industry. Long established institutions went out of business, others were forced into takeovers and only the intervention of governments worldwide - courtesy of eye-watering financial recovery packages - prevented

the banking industry from implosion.
